

Presentation Submissions for 2024

Save this form to your computer with the name (FPCSeminar2024_Your Name).

To be considered, information for the presenter and co-presenter(s) must be included. A total of up to four presenters only. (Note: Only the first two presenters are eligible for complimentary registration, hotel, and travel expense reimbursement.)

(1) PRESENTER INFORMATION

Eligible for comp registration, room & travel reimbursement

Name: _____
Title: _____
Company: _____
Address: _____
City: _____ State: _____ Zip: _____
Phone: _____
Email: _____

(2) CO-PRESENTER INFORMATION

Eligible for comp registration, room & travel reimbursement

Name: _____
Title: _____
Company: _____
Address: _____
City: _____ State: _____ Zip: _____
Phone: _____
Email: _____

(3) ADDITIONAL PRESENTER INFORMATION

Name: _____
Title: _____
Company: _____
Address: _____
City: _____ State: _____ Zip: _____
Phone: _____
Email: _____

(4) ADDITIONAL PRESENTER INFORMATION

Name: _____
Title: _____
Company: _____
Address: _____
City: _____ State: _____ Zip: _____
Phone: _____
Email: _____

Track Descriptions

Check the track that most closely represents your proposed presentation.

Main Speaker Sessions: Topics should be general enough to be of interest to all disciplines and follow the theme of the seminar, AI IMPACT For the Design & Construction of Health Care Facilities..

Architecture Breakaway Sessions: These sessions concentrate on issues that are focused on the architectural design of the facility to include fire safety and patient safety issues, specification details, accessibility issues, and other issues important to the architectural design of the facility.

Mechanical Engineering Breakaway Sessions: Topics in these sessions should relate to the design, installation and maintenance of medical gas systems, sprinkler systems, HVAC systems, and other systems important to mechanical engineering.

Electrical Engineering Breakaway Sessions: Topics in these sessions should relate to the design, installation and maintenance of lightning protection systems, emergency electrical systems, fire alarm systems, and other systems important to electrical engineering.

Facility Engineering/Contractor Breakaway Sessions: Topics in these sessions should relate to the installation and maintenance of systems that are necessary to the operation of a health care facility, the management of those systems, and construction issues such as scheduling, PM, modular components, etc.

Fire Safety Breakaway Sessions: These sessions will focus on the code requirements for fire safety issues such as fire barrier construction, through wall penetrations, testing and maintenance of fire protection equipment such as fire pumps, and the fire rating of doors and openings. Courses certified for fire safety by Florida Fire College.

FPC Speaker Presentation Submission Form: For your presentation proposal to be considered, please complete all sections of this form. Directions for returning the form are at the bottom of the form.

Title of presentation _____

Description of Presentation: (This should cover some of the following elements: objectives, outcome(s), findings, lesson(s) learned, research, methodology, and conclusions.)

Sample Description:

The 2021 edition of *NFPA 101 Life Safety Code* has had many revisions in the chapters regarding Health Care and Ambulatory Health Care Occupancies. The presentation will focus on those revisions and highlight the ones that may be problematic for proper preparation of plans for submission to AHCA.

Provide Four (4) Learning Objectives: (required for CEH credits)

Sample Learning Objectives:

Participants will be able to... • Explain the major revisions to the LSC • Understand how these revisions will affect the design and construction of health care facilities • Discuss what these revisions are and why they are important.

Complete the fillable form, save it to your computer with the name (FPCSeminar2024_Your Name), and attach it to an email to: **gregoryskip@gmail.com** or print and mail to Skip Gregory, 4128 Zermatt Drive, Tallahassee, FL 32303

Deadline: May 1, 2024
